

ARTESIA CEMETERY DISTRICT RULES and REGULATIONS

For over a century our cemetery has been chosen as the final resting place for County residents and their loved ones. The early settlers and pioneers of Los Angeles County are memorialized by the many monuments located throughout the grounds. The Artesia Cemetery District ("District", "ACD" or "Artesia Cemetery") became a public cemetery when it was established by the Los Angeles County Board of Supervisors in 1928. The District is overseen by a Board of Trustees and General Manager to ensure that the cemetery is properly maintained and adheres to an atmosphere that creates a serene park like setting.

Visiting loved ones and the placement of flowers and memorial markers on interment spaces is both a time-honored tradition and a beautiful expression of love and remembrance. This information is provided to help our visitors have a positive experience at our cemetery.
